

# THE EXCALIBUR CLUB

DECEMBER 2017 EDITION • BI-MONTHLY NEWSLETTER

## What's your version of **home** this Christmas?

For some of us it's the little moments alone with a spouse among the Christmas chaos. For others, it's the big family dinner full of laughter and too much food. Still others find it in the quiet time, coffee in hand, anticipating everything to come.

No matter what your version of **home** is we hope it fills you with cheer, helps you recharge and brings you happiness this holiday season.

## Holiday Game Recommendations!

Every year people fall asleep in the afternoon, watching old Christmas movies, and counting down the minutes to Christmas dinner. Instead, this year bring the family together for some **quality time and games**.

**Not sure which game to play?** Below are recommendations of some of our favorites.

**Selina Consitt** recommends **Speak Out**. "It's always great if you're looking for a good laugh!"

**Caitlin Armstrong** recommends **Cranium** "The game requires teamwork and can get quite competitive quickly! You really have to use your knowledge."

**Veronica Anderson** recommends **Junior Monopoly** "Much more fun than the regular Monopoly since it doesn't take 5 ½ hours to play!"

**Kelsey Bennewies** recommends **Ticket To Ride** "It's a great strategy game!"

**Una Roy** recommends **Things In A Box** "Everyone has fun and gets involved! You really have to use your imagination."

# Win My Gifts!

I've been working away all year in the shop to make gifts for all the girls and boys, but there's too many!

# INNOVATION CORNER

## 2017 a Look Back at some Milestone Moments

Here are our Top 4 Initiatives to make insurance easier for our customers in 2017.

### Renter's Insurance Solution for Landlords

Lets landlords help their tenants get insurance so everyone is protected.

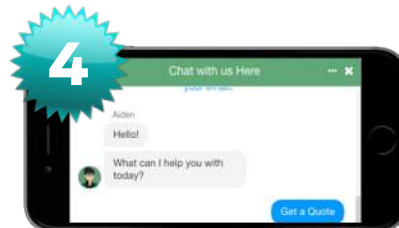

### InstaShield

Which allows customers to quote, and buy your entire policy online for various products.

### Self Service

Giving you 24/7 ability to make claims, access policies, and make changes to your account, all in the palm of your hand.

### Aiden

Answering your insurance questions from our website or Facebook any time of the day or night.

## 2018? Aiden's going back to school

While Aiden's still available to answer your 2am questions, upgraded functionality means she'll be smarter and can answer even more of them.

We're always looking for more ways to save you time, money, and stress. So in 2018 we'll be bringing you new Excalibur U content- both articles and videos to help you learn about insurance however you choose. We'll also be adding new products to InstaShield, to give you as many online self-serve options for buying insurance as possible.

We have lots of other ideas for 2018 as well, and we look forward to sharing them with you in the year to come.

The season's  
**too short to**  
let a collision  
keep you off  
the trail.
